

**In design terms, it's a hole in one.**

**Golfpod**

**Solution**

**Key Features & Commercial Benefits**

**Purchase**

**Golfpod – virtual golf in a stylish, self-contained environment;  
the perfect space to enjoy golf simulation to the full.**

**Designed with clean, modern lines and wall-to-wall glass frontage to bring a new level of  
attractive sophistication to portable construction.**

**Commercially, Golfpod offers golf clubs or hotels offering golfing breaks a  
‘head-turning’ addition to their facilities.**

**For private customers, the Golfpod can be assembled in the grounds of a home,  
providing a retreat that’s separate from home living space,  
perfect for enjoying a round of golf on the world’s most prestigious courses or  
as a home cinema.**
