Smart Health, Fitness & Leisure Village

Smart Modular Group is committed to creating the ultimate health & fitness space solution from personal space through to community space. Our bespoke build Smartpods enable you to build a solution and create an environment that's right for you or your community.

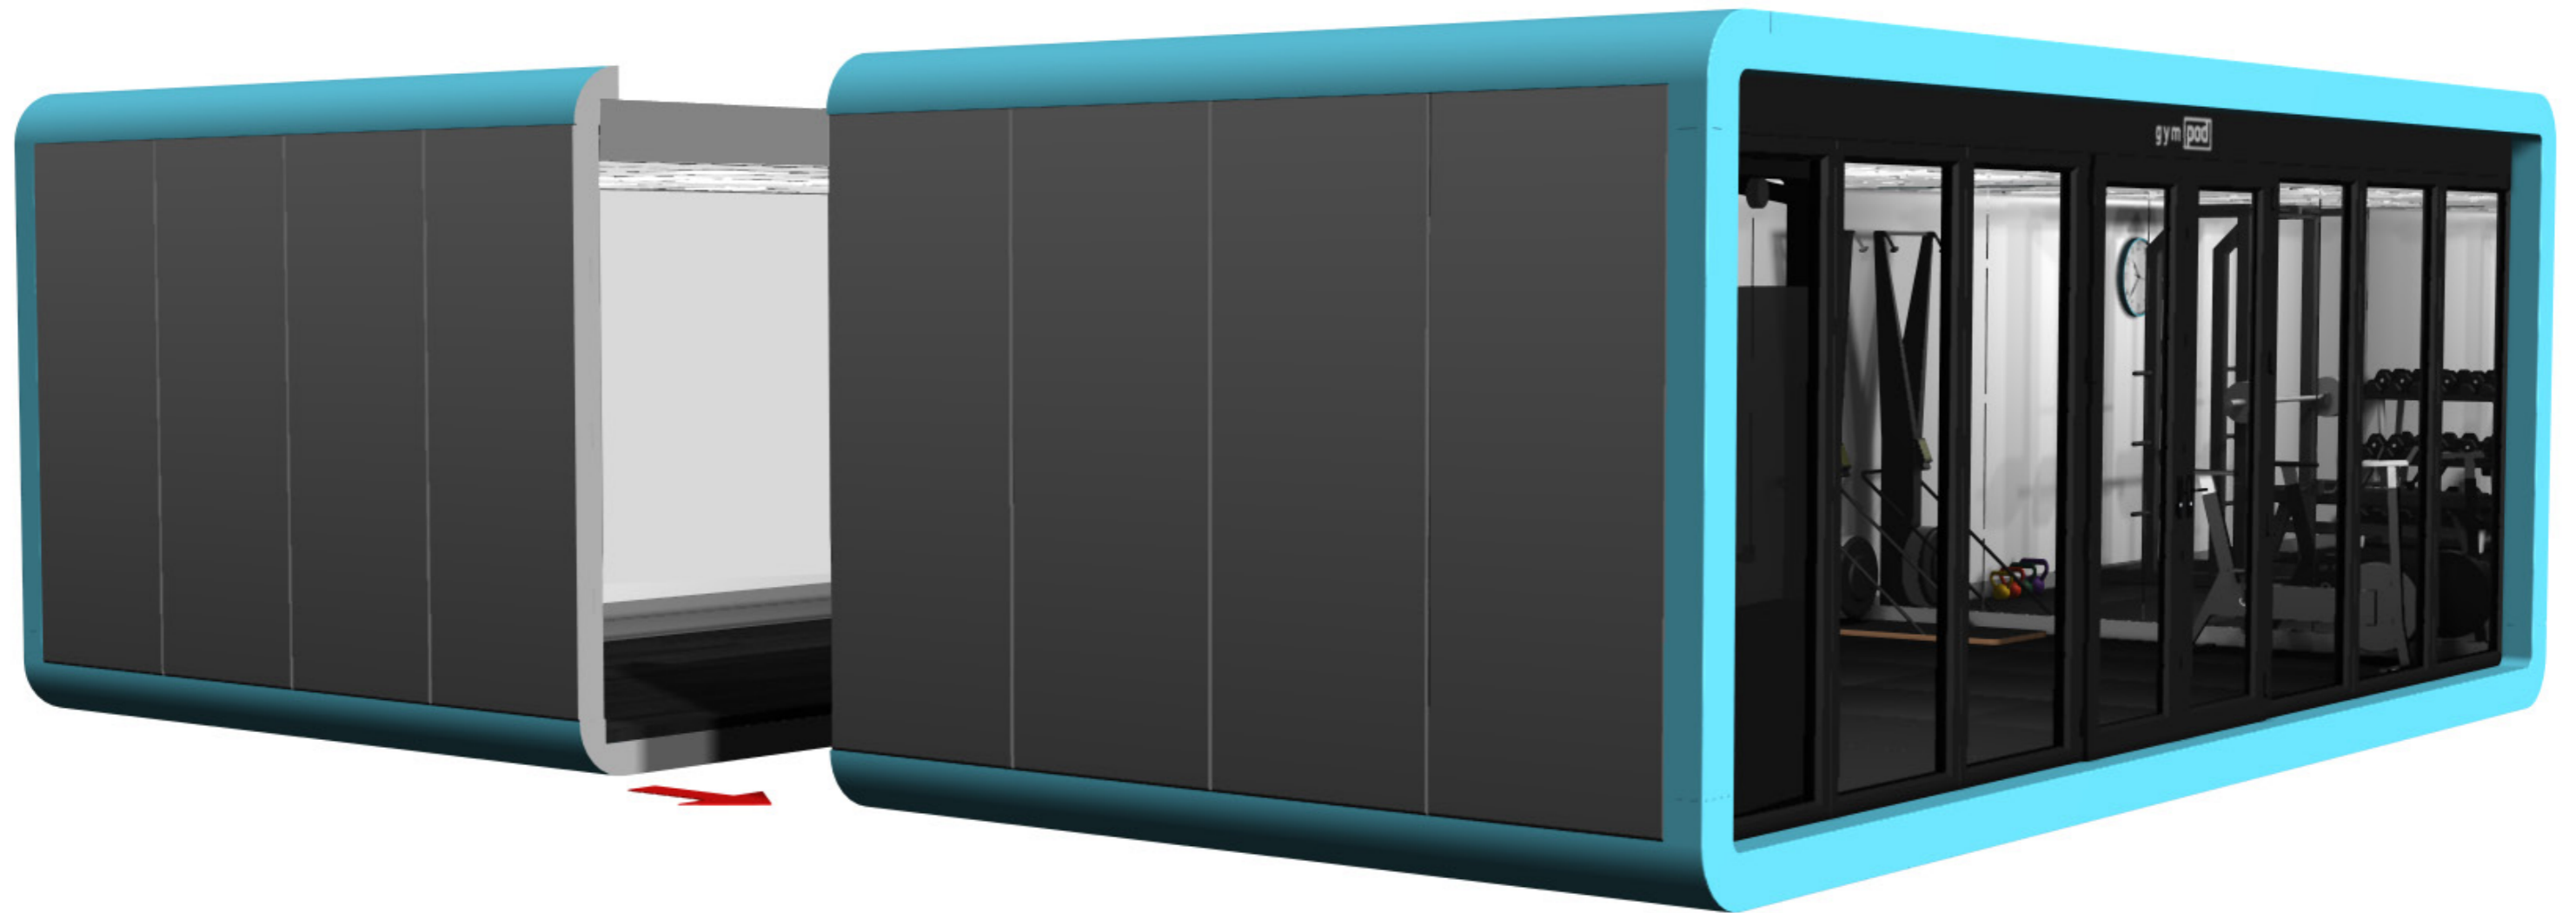

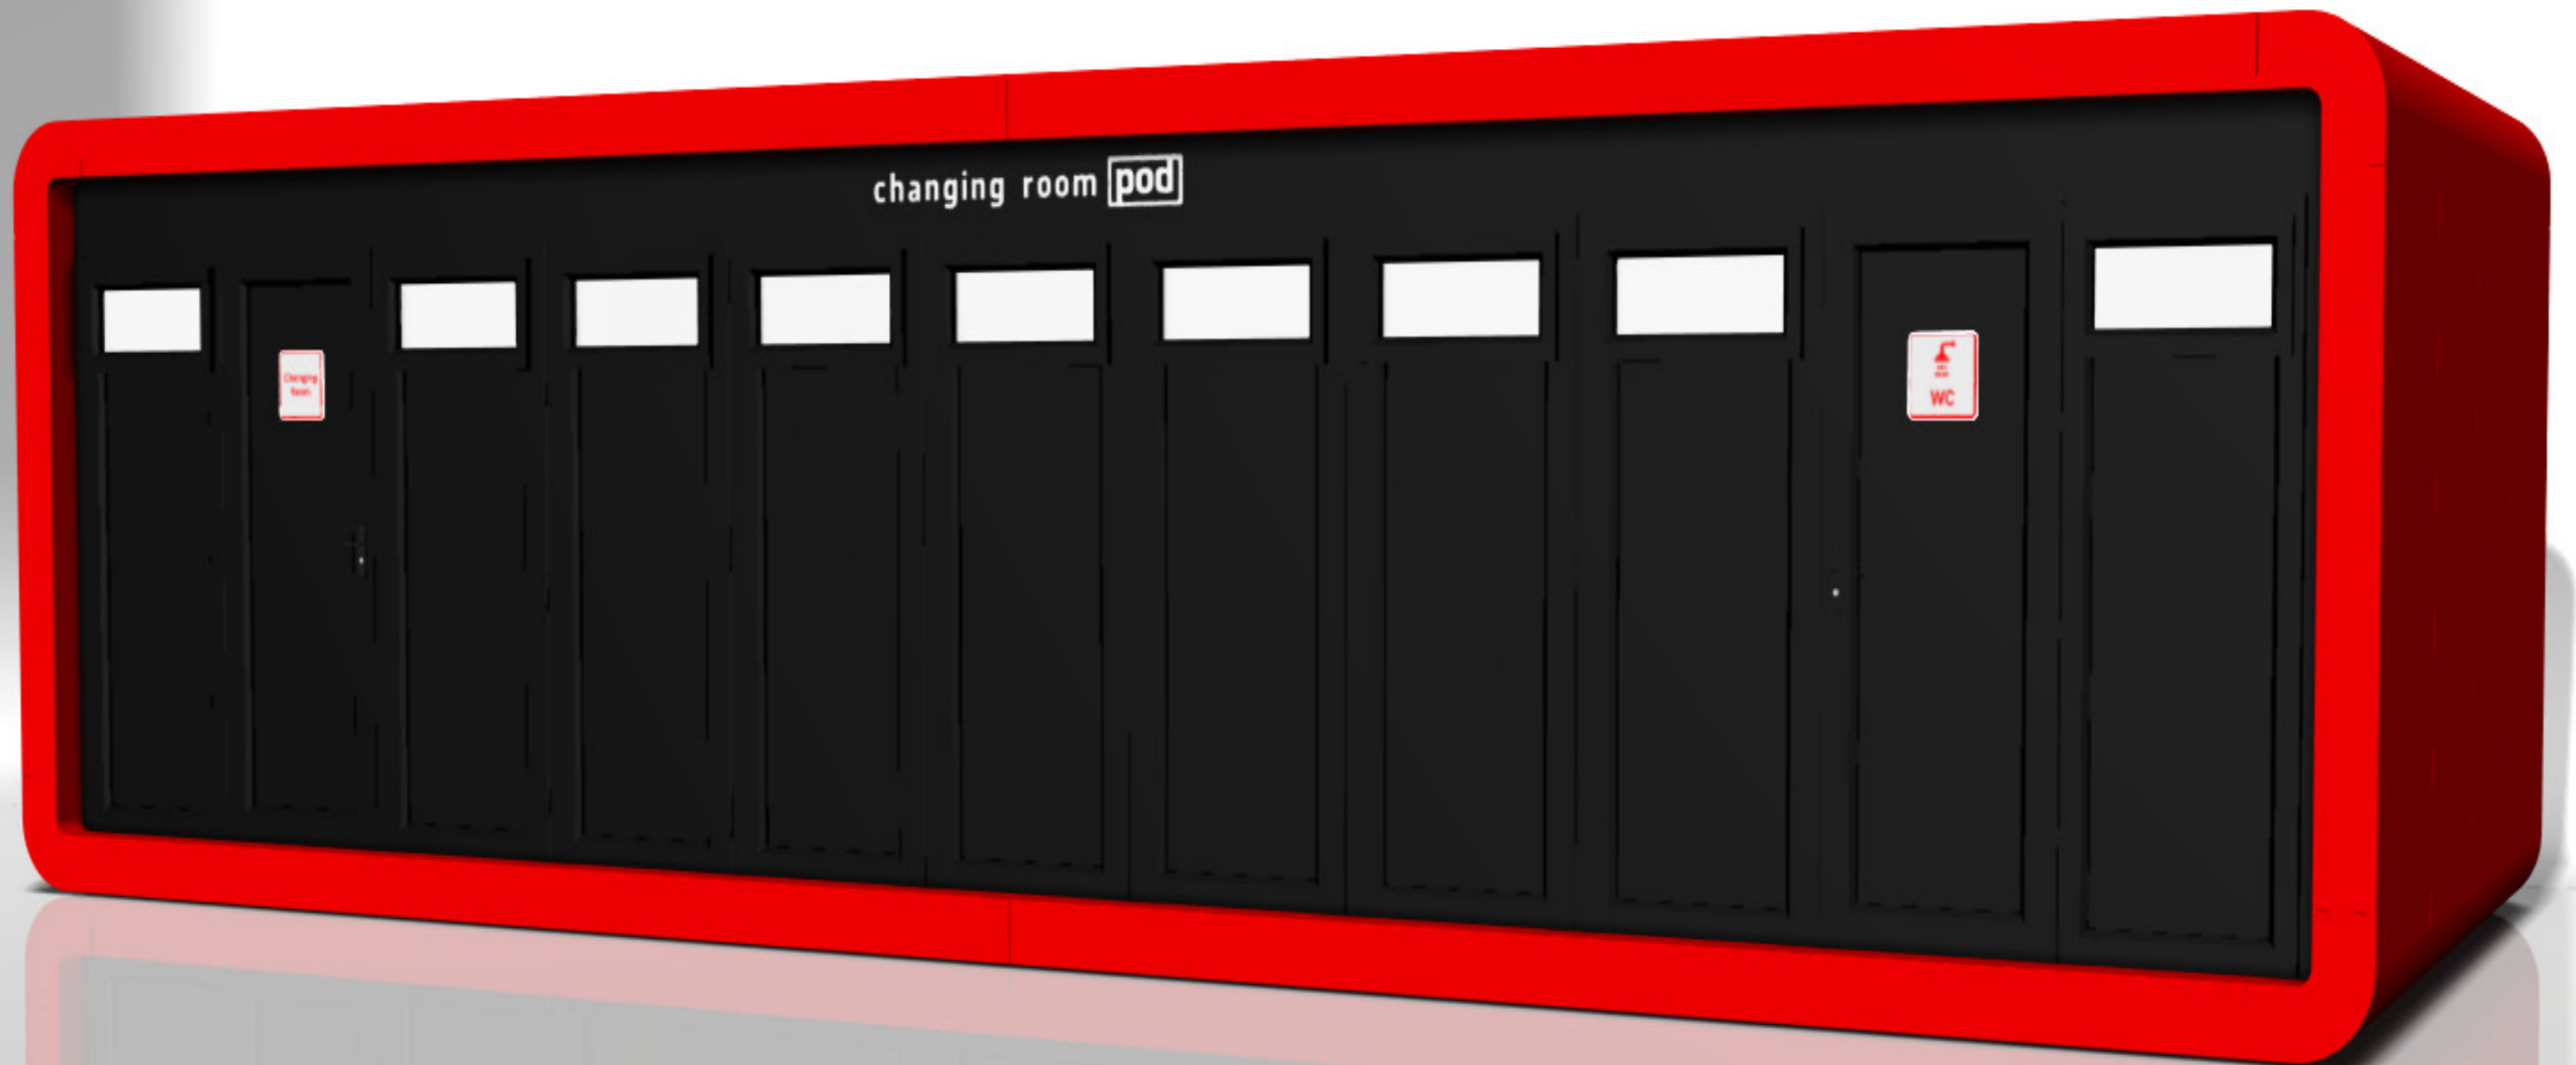

Smartpods can be connected to create a space solution that's right for your class size or community.

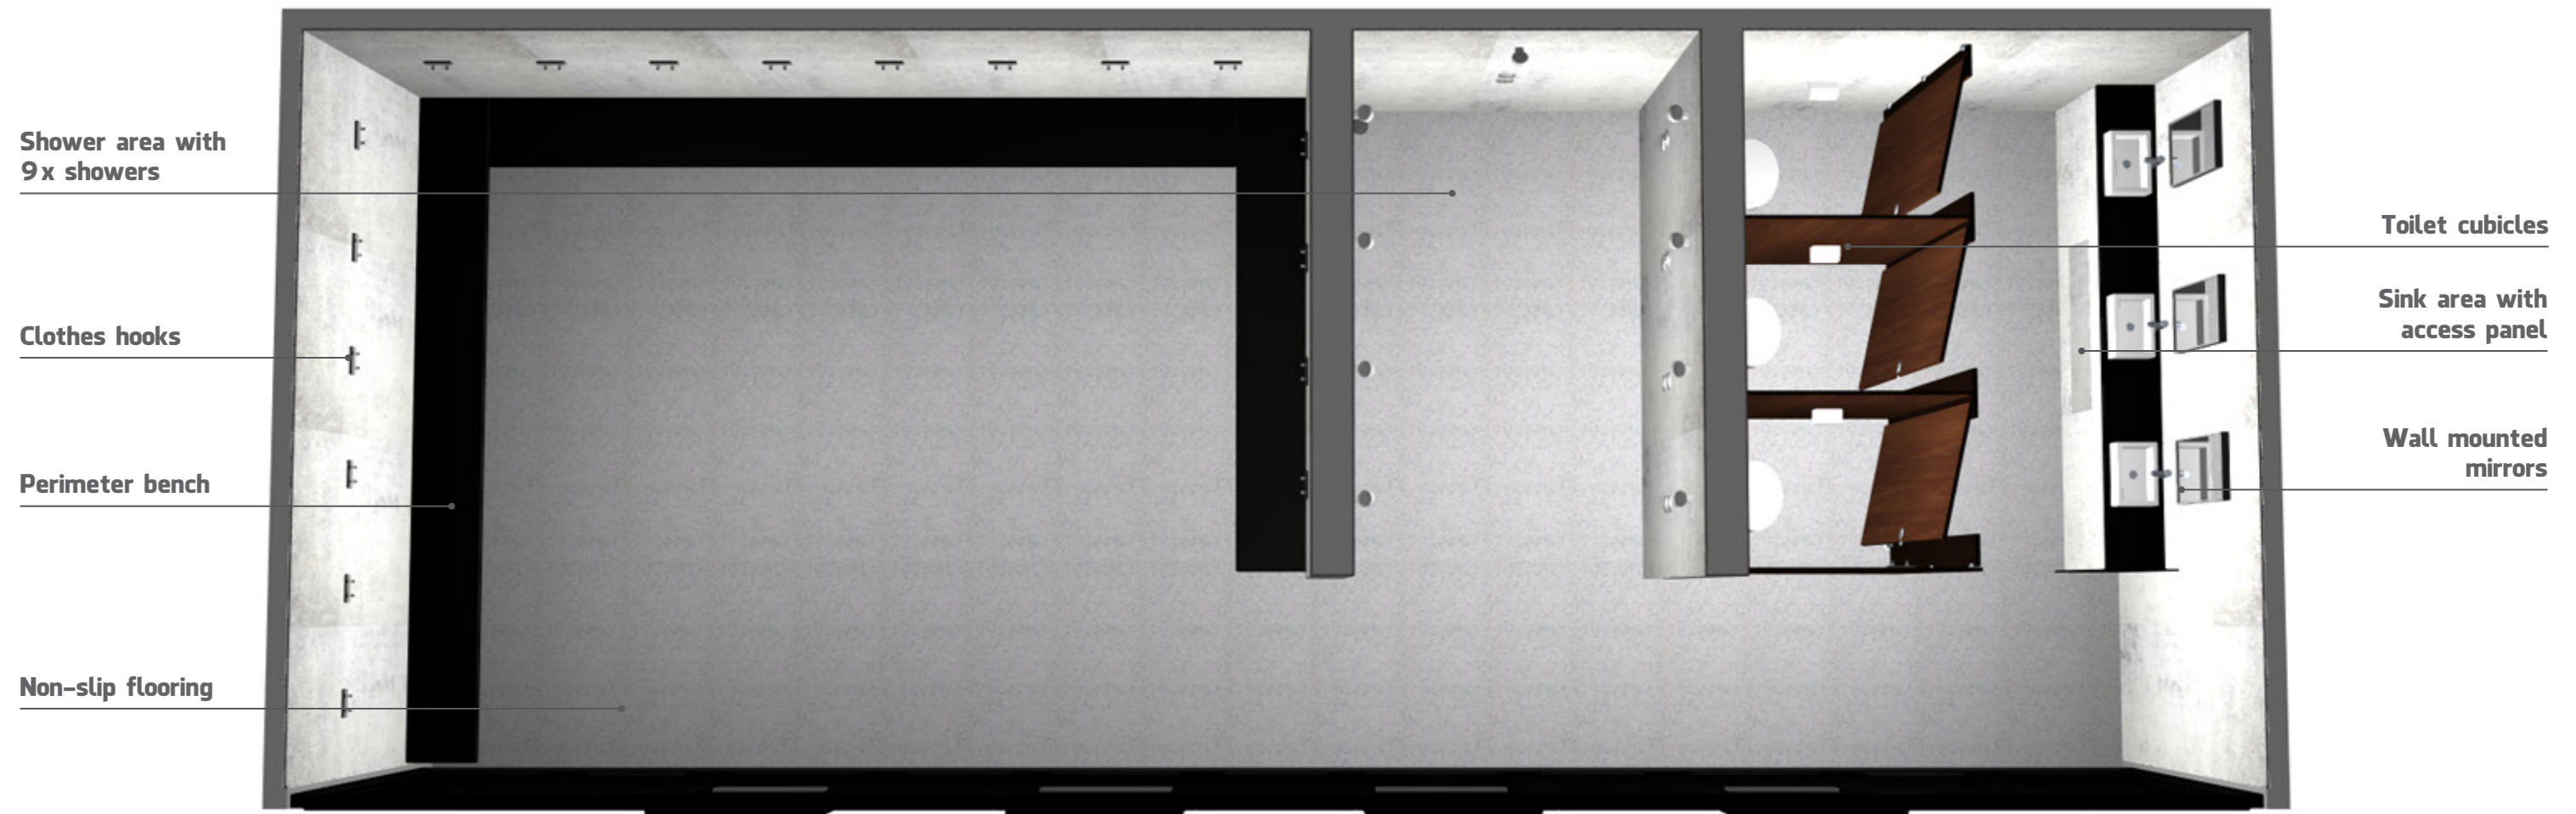

Smartpods can have built-in storage areas and canopys to train people outdoors in socially distant training spaces.
